

The Friends of the Oviatt Library
invite you to join us for a swell buffet luncheon as we take a gander
at an ace presentation by

Christina Rice

Author and Senior Librarian of the
Los Angeles Public Library Photo Collection

DEFINING THEIR IDENTITY

The Changing Roles of Women in the Post-War Era

The popular view
of women in the
years following
World War II
was that of
homemakers like

television's Donna Reed and June Cleaver
maintaining picture perfect households in suburban settings.
In many cases this was the primary role assumed by women of the era,
but it wasn't the only one.

Christina Rice will give us the skinny on the changing roles of women
through the lens of the LAPL *Valley Times* image archive.

Friday, April 17, 2015

11:30 a.m.
