Step 2

1. Go to (<http://library.csun.edu/>)
2. Select the “**Periodicals**” tab in the middle of the screen.
3. The “**Search**” box should be set to “**Title (begins with)**.”
4. In the empty “**For**” box, type title of the Journal (note: do not search for the title of the article yet).
5. The Journal Title has been abbreviated to “**Aviat Space Environ Med.**” The Catalog will not recognize the abbreviation.
6. To find the full spelling of the Journal Title, check [Ulrich’s](#) to locate the complete journal title.
7. Select search.

The screenshot shows the Oviatt Library website. At the top, there is a navigation bar with links for Find Resources, Services, Research Assistance, Collections, About, and Ask a Librarian. Below this, there is a large banner with the text "Welcome Back, Matadors!" and a photo of a matador. On the left side, there is a sidebar with "Start Your Research" links, "Library Hours Today" (Sunday August 29, 2010: 12:00pm to 8:00pm), and "Quick Links". In the center, there is a search interface with a dropdown menu set to "Title (begins with)" and a search box containing "aviation space and environmental". A red arrow points to the search box. Below the search box, there is an "Optional" checkbox for "search electronic periodicals only" and a note: "To find **articles**, use [Databases by Subject](#)".

Step 3

1. The library will most likely carry both the Electronic/Online and Print copy.
2. Select the appropriate title with two entries found, this will show both Print and the Electronic/Online copy.

The screenshot shows the Oviatt Library search interface. At the top, there are navigation buttons: Start Over, Extended Display, Limit / Sort, Search as Words, and WorldCat. Below these is a search bar with the text 'aviation space and environmental m' and a dropdown menu set to 'Periodicals / Serials'. The search results are displayed in a table with columns: Num, Mark, TITLES (1-3 of 3), Year, and Entries 4 Found. The first row is highlighted in yellow and has a red arrow pointing to it. The table contains the following data:

Num	Mark	TITLES (1-3 of 3)	Year	Entries 4 Found
1	<input type="checkbox"/>	Aviation Space And Environmental Medicine		2
2	<input type="checkbox"/>	Aviation Space And Environmental Medicine Online		1
3	<input type="checkbox"/>	Aviation Space And Environmental Medicine Sept 1988		1

Step 4

1. Displayed will be what the library carries, Electronic/Online and Print.
2. The article was published in 1996. For this example, look at the “electronic resource” to see if the library has a subscription to articles for 1996.

The screenshot shows the detailed view of the search results for 'Aviation Space And Environmental Medicine'. The title is highlighted in yellow. Below the title, there is a list of items with their respective details:

Num	Title	Location	Availability
1	Aviation, space, and environmental medicine.	[Washington, Aerospace Medical Association]

	There are additional copies/volumes of this item		
2	Aviation space and environmental medicine [electronic resource].	Alexandria, VA : Aerospace Medical Association	

3. Note that the “electronic resource” begins in 2003.
4. If the item is **available electronically**, follow **Step 4** in the guide called “Article Found on the Internet.”
5. For the 1996 issue you will need to look at the print subscription (located on the previous screen).

The screenshot shows the record details for 'Aviation space and environmental medicine (Online)'. The title is highlighted in yellow. Below the title, there is a list of items with their respective details:

Uniform Title	Title	Published

Step 5

1. Select the print copy; this will be distinguished from the electronic by the location and call number under the title.
2. If the year is not displayed, select "View additional copies or search for specific volume/copy" bar to view all volumes.

The screenshot shows the Oviatt Library search results for the title "Aviation Space And Environmental Medicine". The search results are displayed in a table format. The first result is highlighted with a red box and a yellow background. It is a print copy located on Floor 4, East Periodicals, with call number RC1 .A36 v.61 pt.1 Jan-Jun 1990. The status is "IN LIBRARY".

Below the first result, there are three more entries for different volumes of the same title, all with the status "IN LIBRARY".

The second result is an electronic resource, also titled "Aviation space and environmental medicine [electronic resource]".

The screenshot shows the detailed record for the title "Aviation, space, and environmental medicine." The record includes the following information:

- Title:** Aviation, space, and environmental medicine.
- Published:** [Washington, Aerospace Medical Association]
- Library Has:** Currently received. 46- 1975-

Below the record information, there are social media sharing options (BOOKMARK, Facebook, Twitter, Email) and a "Permanent URL for this record" link.

The record also displays a list of call numbers and locations for the title:
