

Thank you for checking out a loaner laptop.

**** You will need to be on campus to sign into this device for the first time****

If you are asked for the username it is your **CSUN Username** (abc51264)

The password is the same as your **CSUN Portal Password**

The account will allow you to install any necessary applications.

You will find the following applications already installed:

- Microsoft Office
- Global Protect VPN
- Zoom
- Box Drive
- Adobe Acrobat

We recommend utilizing CSUN's secure cloud-based storage and collaboration solution myCSUNbox to store personal files and access content at any time, from any device. For more information, visit csun.edu/it/mycsunbox

If you have any questions, please contact the IT Help Center at 818-677-1400.
