NUMBER**

Stock numbers for available maps are listed on reverse of this index.

THE STOCK NUMBER is a 15-character, alphanumeric identification, constituted as follows:

1. The series number (5 characters). When the series number is less than 5 characters, an X is entered as the 5th character.
2. The sheet number, or name (8 characters).
 - a. Roman numerals are converted to Arabic.
 - b. If map identification is by name instead of number, those letters beyond 8 are omitted.
 - c. If sheet number or name is less than 8 characters, an asterisk is entered in each unused space.
3. The edition number (2 characters). An edition number less than 10 is entered as the 15th character, preceded by a zero in the 14th space.
