CSUN is especially interested in candidates who make contributions to equity and inclusion in the pursuit of excellence for all members of the university community.

About the University

One of the largest universities in the country, California State University, Northridge (CSUN) is an urban, comprehensive university that delivers award-winning undergraduate and graduate programs to nearly 40,000 students annually and counts more than 330,000 alumni who elevate Southern California and beyond. Since its founding in 1958, CSUN has made a significant and long-term economic impact on California, generating nearly $1.9 billion in economic impact and more than 11,700 jobs each year. The LAEDC recognized CSUN as its 2015 Eddy Award winner for its positive economic impact. Serving more students on Pell Grants than any other institution in California, CSUN is also a social elevator and one of the most diverse universities in the country. CSUN ranks 13th in awarding bachelor's degrees to underrepresented minority students and seventh in bachelor's degrees to Latino students, serves the 13th largest Jewish student population, and enrolls the largest number of deaf and hard-of-hearing students of any U.S. state university. The journal Nature recently named CSUN a Rising Star for scientific research, and the NSF ranks CSUN in the top five nationally among similar institutions for graduates who go on to earn doctorates in the sciences. CSUN is where individuals rise. And through them, so does Greater Los Angeles and beyond.

About the Department

The California State University, Northridge's Oviatt Library provides educational, cultural, and information services and resources to the students and faculty. Its primary mission is to support and supplement classroom and independent learning; facilitate student and faculty research; and provide students with lifelong skills in identifying, locating, evaluating, and synthesizing information. More than 22,000 students participate in formal library instruction on an annual basis. The Library's collections include more than 1.4 million volumes, and subscriptions to more than 72,000 journals. Access is provided to more than 200 online databases and some 425,000 eBooks. Specialized service areas include a music and media center, assistive technology labs, special collections and archives, teacher's curriculum center, and student access computer labs containing more than 300 workstations, laptops, and tablets. Current Library faculty and staff include approximately 25 tenure-track full-time librarians and 60 full-time paraprofessionals.
CSUN ScholarWorks Open Access Repository is the university's institutional repository, the archive and distribution platform for faculty research and instructional materials, student work, and the university's public-facing documents.
