

Black Digital Exhibit Project Assistants

Responsibilities:

- Virtually attend project meetings (Once a month)
- Record voiceovers for captioned videos for the Black Deaf Life in California Digital Exhibit
- Other related tasks connected to completing the project

Requirements:

- No experience with voiceover is necessary
- Ability to work independently on a deadline
- Must be able to work 10-15 hours per week
- If you never worked on campus before, you must be able to physically check into HR to sign employment paperwork.

Compensation:

- \$15.00/ hour
- Virtual job or on-campus job
- Looking to hire 2-4 people

Background on the Project:

The purpose of the **Black Deaf Life in California Digital Exhibit** is to centralize, expand, and provide greater access to Black Deaf educational material. This online exhibit is about holding the memories, contributions, and lives of Black Deaf people, their achievements, organizations, and history within California and CSUN. Our Deaf studies and Deaf students are often looking for Black Deaf resources for class assignments and senior projects. Often times this material is spread throughout the country and difficult to locate. This exhibit serves both our current and future students as well as honors the greater Black Deaf community and CSUN alumni.

If interested, please email Dr. Lissa Ramirez-Stapleton (lissa.stapleton@csun.edu). Applications will be reviewed immediately upon receiving and until the position is full. This is a Spring 2022 semester-only job.
