Dear Mr. Day:

For the past two years, my colleagues and I who serve on the United States Commission on Civil Rights, have been holding public hearings on police practices in various communities. Recently, we issued a statement on "Police Practices and the Preservation of Civil Rights." Because of occasional editorial interest in this subject, I thought you might like to have a copy of this statement for reference.

With kindest regards,

Sincerely yours,

A handwritten signature in dark ink, appearing to be "S. Horn".
